

A JOURNEY BACK TO YOURSELF

CLEAR THE NOISE

21 - DAY PRESENCE JOURNAL

*"You don't need more information.
You need less interference."*

— High Conscious Life

Name _____

This journal is your companion for the 21 days following
the Clear The Noise workshop.

Each morning, you pause before the noise begins.
Each evening, you return to notice what happened.

You do not need to be perfect. You only need to be honest.
Even five minutes a day is enough.

Come home to yourself, one day at a time.

HOW TO USE THIS JOURNAL

MORNING RITUAL · 4 questions

- Find a quiet moment before the day fully begins.
- Even 5 minutes before you check your phone.
- Answer honestly — not the "good" answer, the real one.
- There is no right or wrong here.

EVENING REFLECTION · 3 questions

- At the end of the day, before you sleep.
- You are not grading yourself. You are noticing.
- The simple act of reflecting rewires your awareness.

THE ONLY RULE

- Show up. Even imperfectly. Even briefly.
- A one-line answer is infinitely better than a blank page.
- Missing a day? Simply begin again the next morning.
- This journal does not judge. Neither should you.

THE THREE WEEKS

- Week 1 — Noticing · Becoming aware of the noise
- Week 2 — Returning · The practice of coming back
- Week 3 — Residing · Living in presence

*"Every time you notice you have drifted,
you get to come back.
That is the whole practice."*

WEEK ONE

NOTICING

This week is about becoming aware. You don't need to change anything yet.
Simply notice — the thoughts, the noise, the patterns. Awareness is the first light.

YOU MADE IT

21 days of showing up for yourself.

*You have done something most people never do —
you paused. You noticed. You returned.*

*The noise did not disappear.
But you learned that you are not the noise.*

*You are the awareness behind it.
The stillness that was always there.*

*That is the journey home.
And you are already here.*

*"This is not a destination.
It is a way of being."*
